

Design & Build Your Own Cool Shades

You'll Need:

- Printed sunglasses template
- Scissors
- Glue stick or tape
- Markers, crayons, or stickers
- Cardboard (from a cereal box or poster board)
- Optional: glitter, sequins, or tissue paper

Instructions:

Color your sunglasses!

Use your favorite colors and designs to decorate the frames.

Cut out the sunglasses parts along the dotted lines.

Glue each piece onto a cardboard backing to make your sunglasses nice and sturdy. Then cut out the cardboard shape.

Assemble your shades:

Use glue or tape to attach the arms to the sides of the frames.

Let them dry and fold the arms back to fit around your head.

Optional: Punch holes near the lenses and tie elastic or string to wear like a mask!
