Design Your Own Sugar Cookie

Materials:

- Printable sugar cookie outlines (provided)
- Crayons, markers, colored pencils
- Craft supplies (dot stickers, glitter glue, tissue paper, etc.)
- Scissors
- Cardboard (like cereal box or shipping box)
- Glue stick or tape

Instructions:

- Color your cookies on the printable sheet – decorate them with pretend frosting, sprinkles, and silly toppings.

- Cut them out.

- Glue each cookie to cardboard for strength (trace and cut the cardboard backing to match).

- Optional: Add a tray or box to create your own "Bakery Stand" or cookie plate.

- Play pretend bakery! Take cookie orders, name your cookies, or sell them at a pretend price.
