

Coast Guard Boat Craft

What You'll Need:

- **Printable Coast Guard rescue boat (provided)**
- **Ocean background (provided)**
- **Glue stick or tape**
- **Crayons or markers**

Instructions:

- **Color the parts of your Coast Guard rescue boat on the next page.**
- **Cut out the boat carefully.**
- **Glue it onto the ocean background to create your own rescue scene!**
- **Write a short thank-you message on the water: "Thank you, Coast Guard, for keeping us safe!"**

Fun Facts About the Coast Guard!

- **They rescue thousands of people each year from dangerous waters.**
- **They use boats, helicopters, and even planes to help people and protect the sea.**
- **The Coast Guard protects our oceans by stopping pollution and keeping animals safe.**
- **They make sure boats follow the rules and help ships find their way with lighthouses and buoys.**
- **They work 24/7, all year round – even during storms!**
