

# Build Your Own Paper Flower Garden!

## 1. Cut out and assemble the flowers.

Follow the example on the Cut Out page to assemble or mix and match the petals as you like.

## 2. Plant your flowers with glue.

Place them wherever you like on the (provided) paper garden. Make it bright and beautiful!

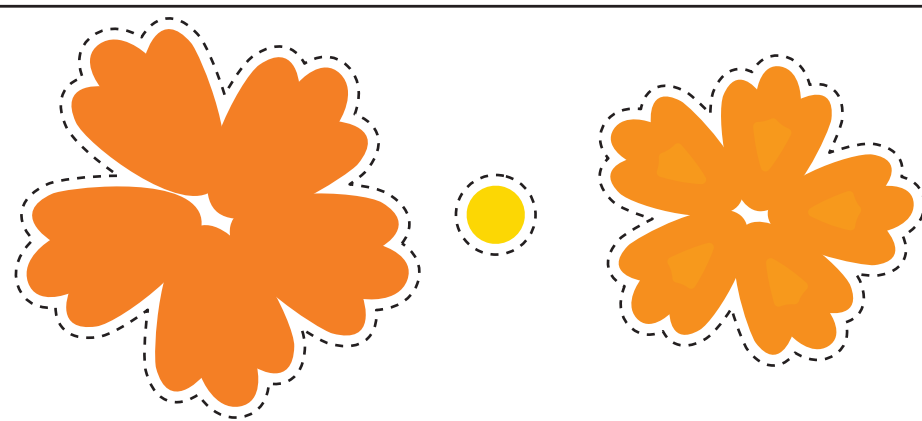

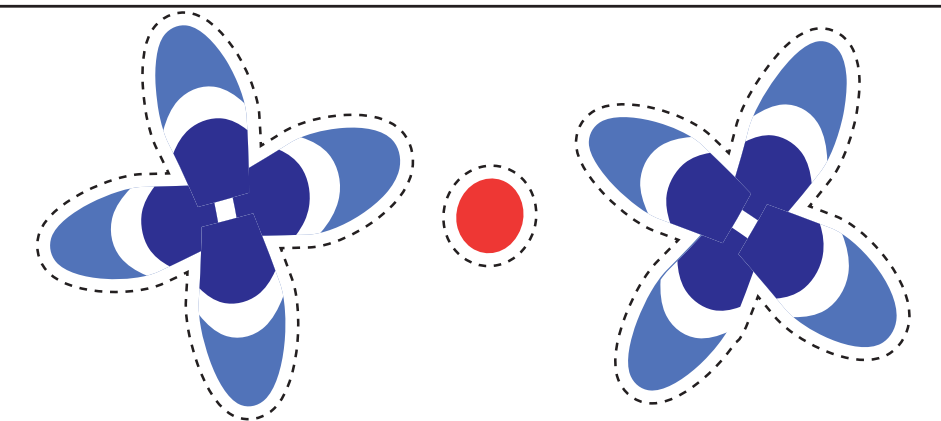

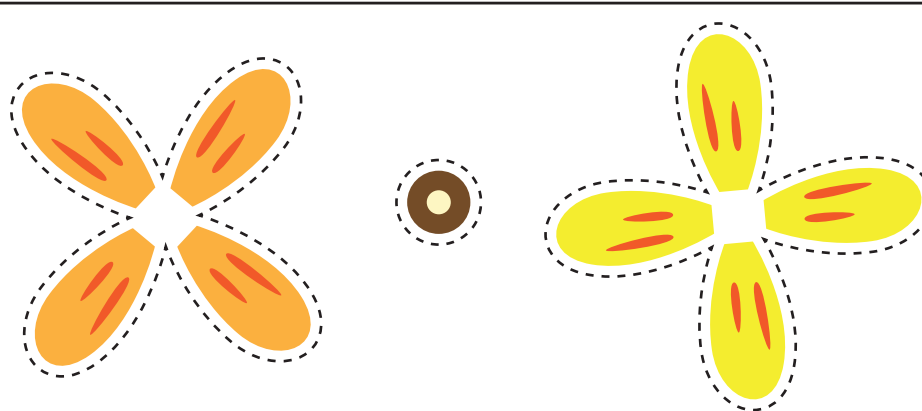

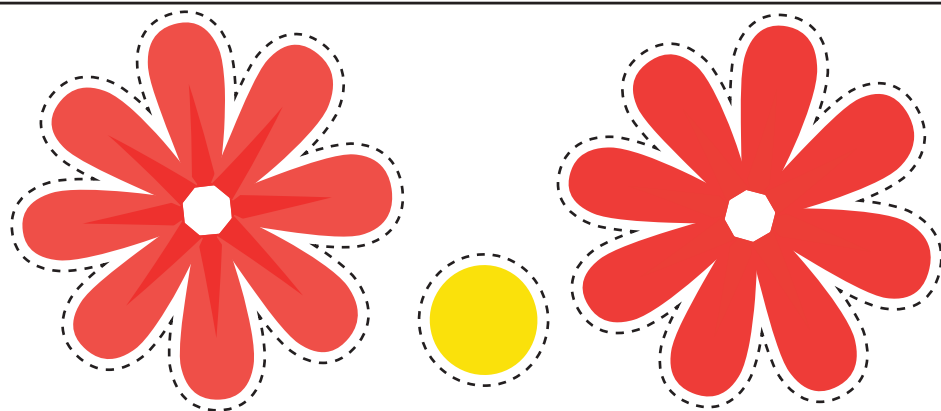

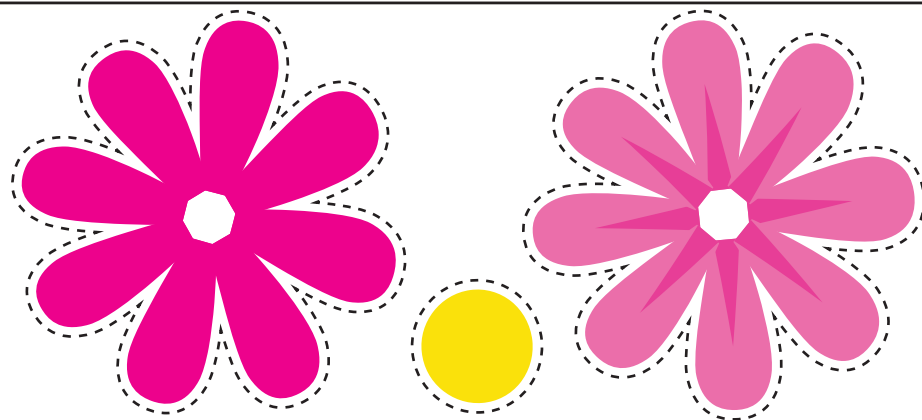

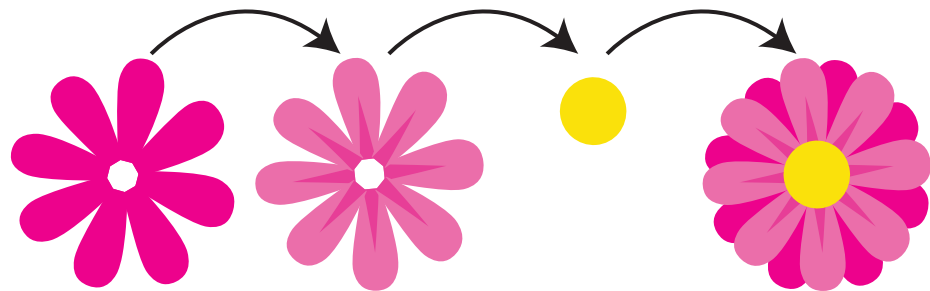

## 3. Want to add even more?

Add your own drawings of butterflies, bugs, a sun , or anything else you's like to see in your garden.

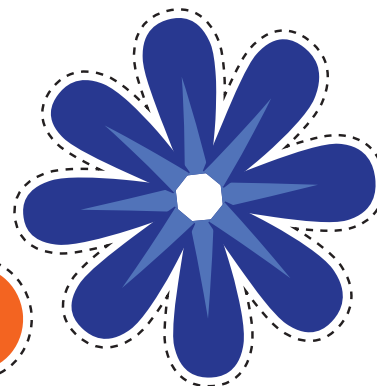

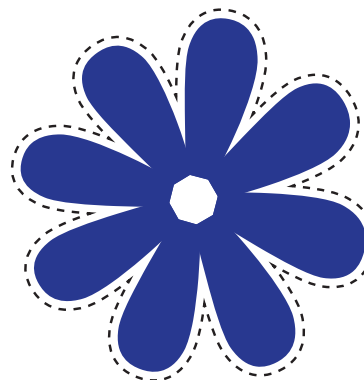

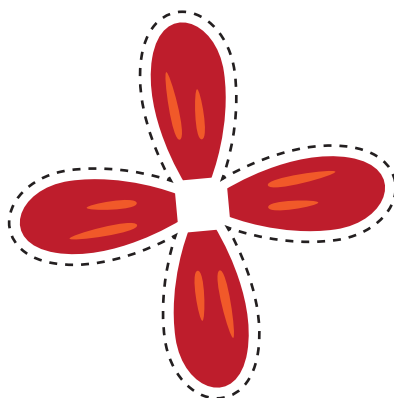

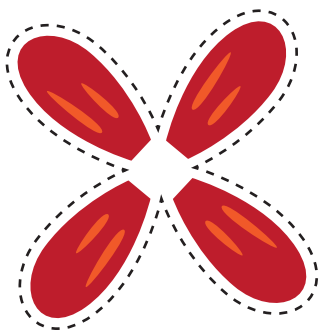

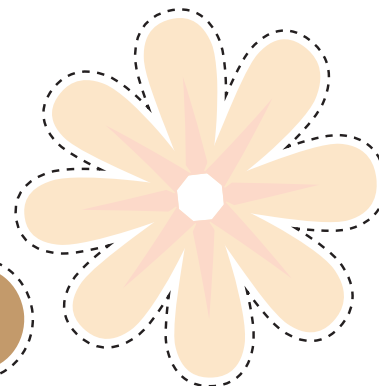

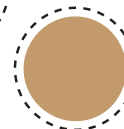

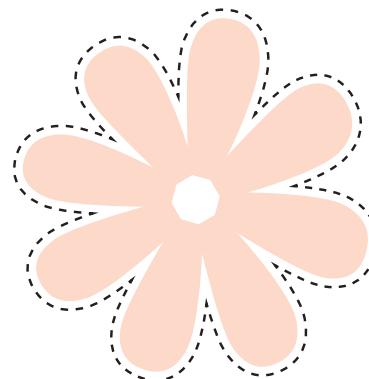

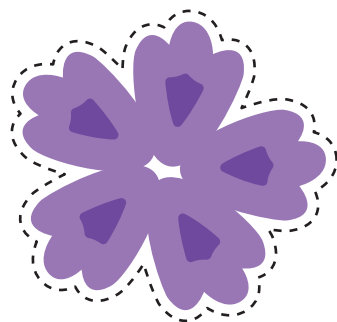

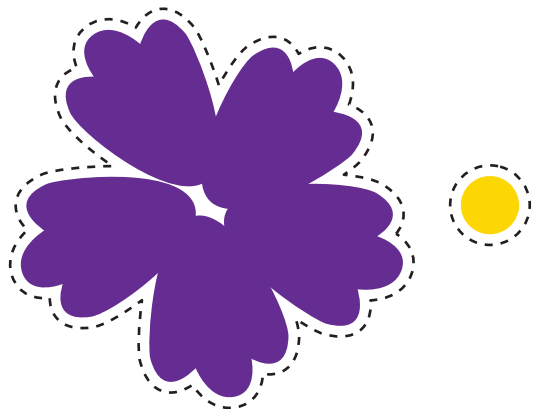

Have fun growing your paper garden!
