

# Glitter & Collage Seashell Decorating

Supplies:

- Large seashell outlines (provided)
- Colored paper scraps, tissue paper, foil bits, or magazine clippings
- Glitter, sequins, buttons, or stickers
- Glue stick or white glue

Instructions :

Choose your seashell outline and color the base if you want.

Tear or cut paper scraps into small pieces—these will be your collage bits.

Glue the pieces onto the shell to create patterns, stripes, mosaics, or even a rainbow shell!

Add sparkle!

Add glitter, sequins, or glue shiny buttons on your seashell to make it shine.
