

# Jingle Bell Wreath Craft

## SUPPLIES:

- Pipe Cleaner – green if you want a green wreath
- Small Jingle Bells
- Ribbon

## DIRECTIONS:

1. Take a green pipe cleaner, if you want a green wreath, and start sliding bells onto it.
2. Leave about 1" on each end of the pipe cleaner. Twists the ends around each other several times leaving a small space between bells to tie ribbon.
3. Cut a length of ribbon and tie over twisted pipe cleaner area.
4. Now you have both an ornament for your tree as well as your own jingle bells to ring when singing carols.
