PRINTING INSTRUCTIONS

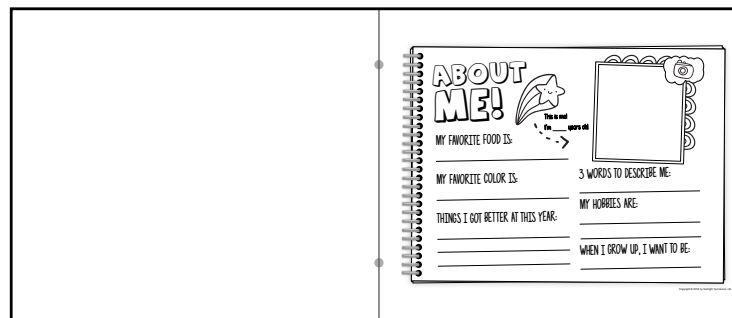

Sonlight's End of Year Memory Book is intended for single-sided printing. The "coil" of the Memory Book is on the left edge of every page. In printing single-sided, you can more easily rearrange the order of the pages, add or eliminate pages as well.

After printing, flip the last page so the design becomes a true back cover and the coils are on the same side as the rest of the book. Staple or 3-hole punch on the coil side to create a landscape-style book.
